

# JASON LAVERGNE

---

## PROFESSIONAL PROFILE

For the past two decades, I have committed my gifts, passions and experience to a pastoral ministry calling. Common to all of the professional and volunteer roles that I have served in over that time is a passion to glorify God through relational servant-leadership, communicating biblical truth, making disciples, and carrying out the gospel mission given to us by Christ.

## QUALIFICATIONS

- Disciple and servant of Jesus
- Pastoral call, heart and gifting
- Leadership gifting
- Highly relational
- Excel in team building and outreach/evangelism leadership development
- Experience and gifting in preaching and teaching
- Care-giving and counseling
- Sharing vision, leadership and calling
- Prophetic perspective
- Passion and experience with leadership development
- Equipper and mobilizer

## EXPERIENCE

**08/2014 to Present**

**Associate Pastor of Community Outreach: Fort Langley Evangelical Free Church – Fort Langley, BC**

In collaboration with pastors and board, provide leadership on vision and strategic direction.

Provide biblical preaching and teaching, as well as direction for preaching series

Have built and now give oversight to Young Adults and Jr Youth Ministries

Launch outreach initiatives and am facilitating some transition in the outreach paradigm for FLEFC

Provide church-wide discipling opportunities through equipping days

Pastoral care: counseling, connecting, grief support, pre-marital prep

Create connections and develop relationships with the surrounding community

Providing pastoral leadership to the church and staff in an interim season

**08/2008 to 06/2014**

**Upperclassmen Resident Director: Trinity Western University - Langley, BC** Identified and developed leaders to relationally lead and serve the TWU community

Equipped young leaders through holistic discipleship, teaching and team-building.

Provided events and opportunities that facilitate community and growth in the upperclassmen community.

Provided care and counsel for students as required, including crisis management.

Collaborated with other TWU departments to provide students an environment for thriving and growth.
