

Please adhere to these protocols as you consider meeting with others for Home Church

Stage 3 of BCs reopening plan allows for either (i) gatherings up to six people who are *not in your bubble*, or (ii) *carefully expanding our bubbles*. These are the guidelines for each:

**Outside Your Bubble:** *In personal settings when you're seeing friends and family who aren't in your bubble:*

- Only get together in small groups of 2 to 6 people
- Keep 2 m of physical distance from those who are outside your bubble and limit your time together
- Stay home and away from others if you have cold or flu-like symptoms
- Take extra precautions for those at higher risk for serious illness from COVID-19, including older people and those with chronic health conditions

**Inside Your Bubble:** *Your bubble includes members of your immediate household and can be carefully expanded to include others.*

- Try to limit the number of people in your bubble
- Every time you add someone to your bubble, you are also connecting with everybody in their bubble
- You can have physical contact and do not need to wear a mask or stay 2 m apart
- Remember, vigilant hand-washing and space cleaning is still important
- If you are sick, self-isolate from people in your bubble as much as possible
